Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the applicant to inform him that the application was in condition for allowance except for claim 50 being dependent off of claim 45 which had been cancelled. During the course of determining from which claim, claim 50s hould depend, it was discovered that the dependency of claims 48 and 49 was also wrong. It was agreed upon that claims 48-50 should be amended to depend from claim 47..
